Our Premise

Our premise is a strong belief that the Federal Government can demonstrate improved performance and accountability with Know Net.

Our efforts to date have earned the trust and support of some of the largest Agencies in the Federal Government. We are grateful for this trust and support as well as for the recognition this project has earned from its peers, public and private sector organizations.

Know Net is a knowledge management, e-learning and performance support system for Federal Agencies, State and Local Governments, Contractors, Grantees and Citizens.

Primary Focus

Know Net's primary focus is the key business functions in the Federal Government in Acquisition, Finance, Grants and Logistics. Its growth has added Audit Resolution/Cost Policy, Performance Management, Real Property and Small Business.
